## FOREWORD

Though time will pass and we shall part,  
this book will be an unbreakable link in your  
chain of memories. And if, when looking  
through these pages you relive the happy  
days of yester years for just a while, our ef-  
forts will not have been in vain.

Thus, we present this, our annual, to you.  
May it bring memories that will live through  
the years.

## **DEDICATION**

In every successful play that has a long run on Broadway, there is usually a famous Star - - A Name - - An Artist. Usually if her performance is outstanding she is awarded an honor for her contribution to the drama. In keeping with this trend of rewarding meritorious service and excellent performance, we the Class of 1956 proudly present our candidate for top honors in the current production of TREASURED MEMORIES our star of stars, Mrs. H. N. Wilson, Jr.

Her fairness of policy, her unfailing sense of humor and her untiring efforts to instill knowledge in us has placed her with the great stars. So, to Mrs. H. N. Wilson, Jr. for what she has been, is, and will be, we gratefully dedicate this year-book.

## THE PRINCIPAL'S MESSAGE

TO THE SENIOR CLASS of 1956

I wish to take this opportunity to thank you for the fine spirit of co-operation that you have shown during your four years of high school. It has been a real pleasure to have you in our school, and we shall truly miss you when you are gone. I have one last request that I would like to make of you, as seniors. I shall expect your co-operation in this, first as I have had it in the past year. The request is that you continue to develop into fine young men and women so that you can obtain the high stations in life that you are capable of attaining. I wish for all of you a happy and prosperous life.

J. T. UZZLE, Principal

## CLASS HISTORY

At last we have reached the goal we have long anticipated - the goal of dignified Seniors. Let us recall now the TREASURED MEMORIES of our twelve years at dear old Wilson's Mills High.

The classroom of Miss Nellie Reese Barnes was crowded that September day in 1944. There were fifty-two ignorant first graders, anxious to start the ball rolling toward higher fields. Lovely Miss Barnes taught us our first fundamentals of reading and writing, and was always willing to dry our tears when we felt depressed.

In the second grade we found ourselves separated for the first time. Together, Miss Margaret Stephenson and Mrs. Atwood Uzzle prepared us for the third grade. That year Jenny Lou Uzzle and Nellie McLamb proudly added their names to our roll.

Now we have climbed to the third step on our ladder. Here we fortunately found Mrs. S. R. Cotton as our director. She very patiently helped us over the hurdles of learning to add and subtract.

I am sure everyone remembers our fourth year with Miss Dorothy Poston. We learned many interesting things from our travels around Egypt and Bagdad.

During our fifth year with Mrs. Nelson Wilson, we journeyed to Selma to see "Gone With the Wind." Do you remember the stuffy meat truck, girls? How we envied the boys who were given the privilege of riding on an open truck. We were joined that year by Eugene McCabe.

Mrs. Ossie McLamb was our devoted teacher in the sixth grade. She was a real joy to everyone. L. E. Godwin was an addition that year.

The seventh year found us under the direction of two teachers. Mrs. Tommy Lipscomb left us at Christmas and Mrs. Grace Hood finished her term.

Then it was the eighth grade with Mrs. A. L. Langley. Through our history we learned everything in the book on our good old "Tar Heel State."

Finally, in 1952, twenty-three proud boys and girls entered the Freshman class, under the direction of Mr. Edgar Renfrow. That year we had six different teachers. They were Mr. Jim Uzzle, Mrs. Jim Uzzle, Mrs. Kirby Rose, Miss Carolyn Parrish, Mrs. C. K. Parrish, and Mr. Renfrow.

Our tenth grade sponsor was Miss Carolyn Parrish. That year we were faced with the difficult task of conquering second year Algebra.

Now we were jolly Juniors. Our play and banquet were huge successes, with the skillful direction of Mrs. Kirby Rose. We were happy to add Jerry Lee to our class.

This brings us to the last step on our ladder. As we take a final view of the Seniors, we find twenty boys and girls, confronted at last with the goal they have struggled so earnestly to reach - the goal of graduation.

It seems such a short time since we first set forth on the road to graduation! What is to become of us now as we part to go our separate ways? This is not for us to say, but with the unselfish assistance rendered us by the faculty at dear old Wilson's Mills High, I'm sure each Senior of 1956 is destined to have a rich and prosperous life.

## REMEMBER

After hugging our mothers that morning  
And shedding a few little tears,  
We started slowly on our ways  
To begin a series of years.

Yes, to school we went that morning  
To fall in step and to strive,  
To learn our Reading, Writing and Arithmetic  
And the other things that make up our lives.

To think back over the years we've been through  
Each one has seemed so short.  
We've worked our share and had fun,  
And no one has reason to retort.

In spite of our difficulties  
Have we finally reached success?  
No, it's only just a beginning,  
For each of us will have to make the rest.

Arnette Turnage  
Class Poet

### IT'S ALMOST TOMORROW

We'll leave tomorrow  
From this, our dear school;  
The memories will linger still  
Wherever we go.  
We'll think of the happy days  
When we walked the halls;  
Of this, the grandest school on Earth  
We'll soon leave you all.

The future years may bring us wealth  
Of fame and of gold;  
But never shall the gold and fame  
Outweight the dear name.  
Of Wilson's Mills, our love for you  
Will never grow old;  
And till the end, the end of time  
Your memories we'll hold.

## CLASS PROPHECY

Standing in the yard watching the children who were attending my kindergarten, I looked up to see a man approaching me. Something about him seemed very familiar and suddenly it dawned on me that the visitor was none other than DONALD JONES. "Nut" had come to bring his two boys to kindergarten. After getting them settled, we went inside to discuss what had become of our '56 classmates.

He told me that ARNETTE TURNAGE had finally achieved her goal and instead of keeping children from eating their crayons, she had decided to teach the fifth grade. EUGENE McCABE and ARTHUR POWELL have opened a garage in Wilson's Mills and are really collecting the money. ANNIE RUTH BARBOUR, still single, has become nationally famous as an illustrator for teen-age books. JANELLE LASSITER, working as hard as ever, has a wonderful position as head of a library near her home. Both Donald and I thought about the special television program we wanted to watch which starred who else but MARIE MOORE and BOBBY HARPER, as a singing duet, so we watched television for a few minutes. They are really good.

MARION SUE PARKER is rising fast to the top of the ladder in the world of secretaries. She is now employed by one of the largest 5-10-25¢ stores in the state, and who should manage it but NELLIE McLAMB. I furnished this information since Nellie and Allen bring their children to my kindergarten.

Growing Wilson's Mills is very proud of GLENN WEST who is now head of the Telephone Company in town. He has done a very good job. JUNIOR SOUTHERLAND, who always was a mechanic, has given up trying to make his Mercury run and works as head repair man for Glenn.

L. E. GODWIN, JR. seems to be the only one who has ventured far from home. It seems he is traveling around the world spreading the gospel. JERRY LEE has become a member of a stock company which presents operettas through North Carolina. He is doing well and everyone is amazed by his voice. All the teen-age girls are simply "drooling" over him. GLENDA STEPHENSON seems to be enjoying married life and also her job as an English teacher. LAURA LEE JOHNSON, working as a part-time secretary at Westinghouse, is also happily married. JIMMY STANLEY is still thrilling the girls since he looks so handsome as a pilot. SHIRLEY SMITH, married, is very proud of her twin boys and they are as sweet as she is. She is living in Raleigh.

Realizing I had to get back to my duties, I asked "Nut" how he and ELMON LEE GARNER were doing as rival coaches. I learned that dear old Wilson's Mills had beaten "Snoodle's" team (Selma) in a real thriller.

Saying good-by seemed very sad, and I told "Nut" to be sure to come back again real soon, bringing anyone he could. I always enjoy company, especially children since I didn't see any often.

## IN CONCLUSION

Under the direction of Mrs. J. T. Uzzle, the Seniors have concluded this eighth edition of Treasured Memories. There are many hi-lites of our twelve years that we failed to include within the boundaries of our book, but they are recorded in our hearts.

To our many advertisers, patrons, and friends who have helped in any way to make the editing of this book possible, we extend our sincere thanks and appreciation.

We hope you will keep this issue of Treasured Memories among your most cherished possessions as a token of memory of the Senior Class of 1955-1956.
